The Swiss National Library in Bern, the Association of International Librarians and Information Specialists AILIS and the CERN Scientific Information Service are pleased to announce their 2007 series of Library Science Talks. The series offers library and archive staff the possibility of learning from and communicating with personalities in library services and organizations. The talks cover important and topical issues for librarians.

The 2007 talks are as follows:

Library science talks

2007
13th season

Mondays in Geneva, Tuesdays in Bern

Archivage du web? oui vous devez... oui vous pouvez! approches et méthodes pour une nouvelle mission des bibliothèques

Julien Masanès, European Web Archive, Paris, France

19 February in Geneva at CERN, 20 February in Bern at NL

Designing and managing multilingual websites

Michael Leiser, Philip Morris International, Lausanne, Switzerland

26 March in Geneva at ITU, 27 March in Bern at NL

Image and multimedia indexing in large databases

Frederic Fol Leymarie, Goldsmiths College, University of London, UK

7 May in Geneva at ITU, 8 May in Bern at NL

Libraries' futures, user needs and information literacy - new challenges for librarians?

Wilfried Sühl-Strohmeier, Universitätsbibliothek, Freiburg, Germany

17 September in Geneva at WHO, 18 September in Bern at NL

How can we benefit from FRBR

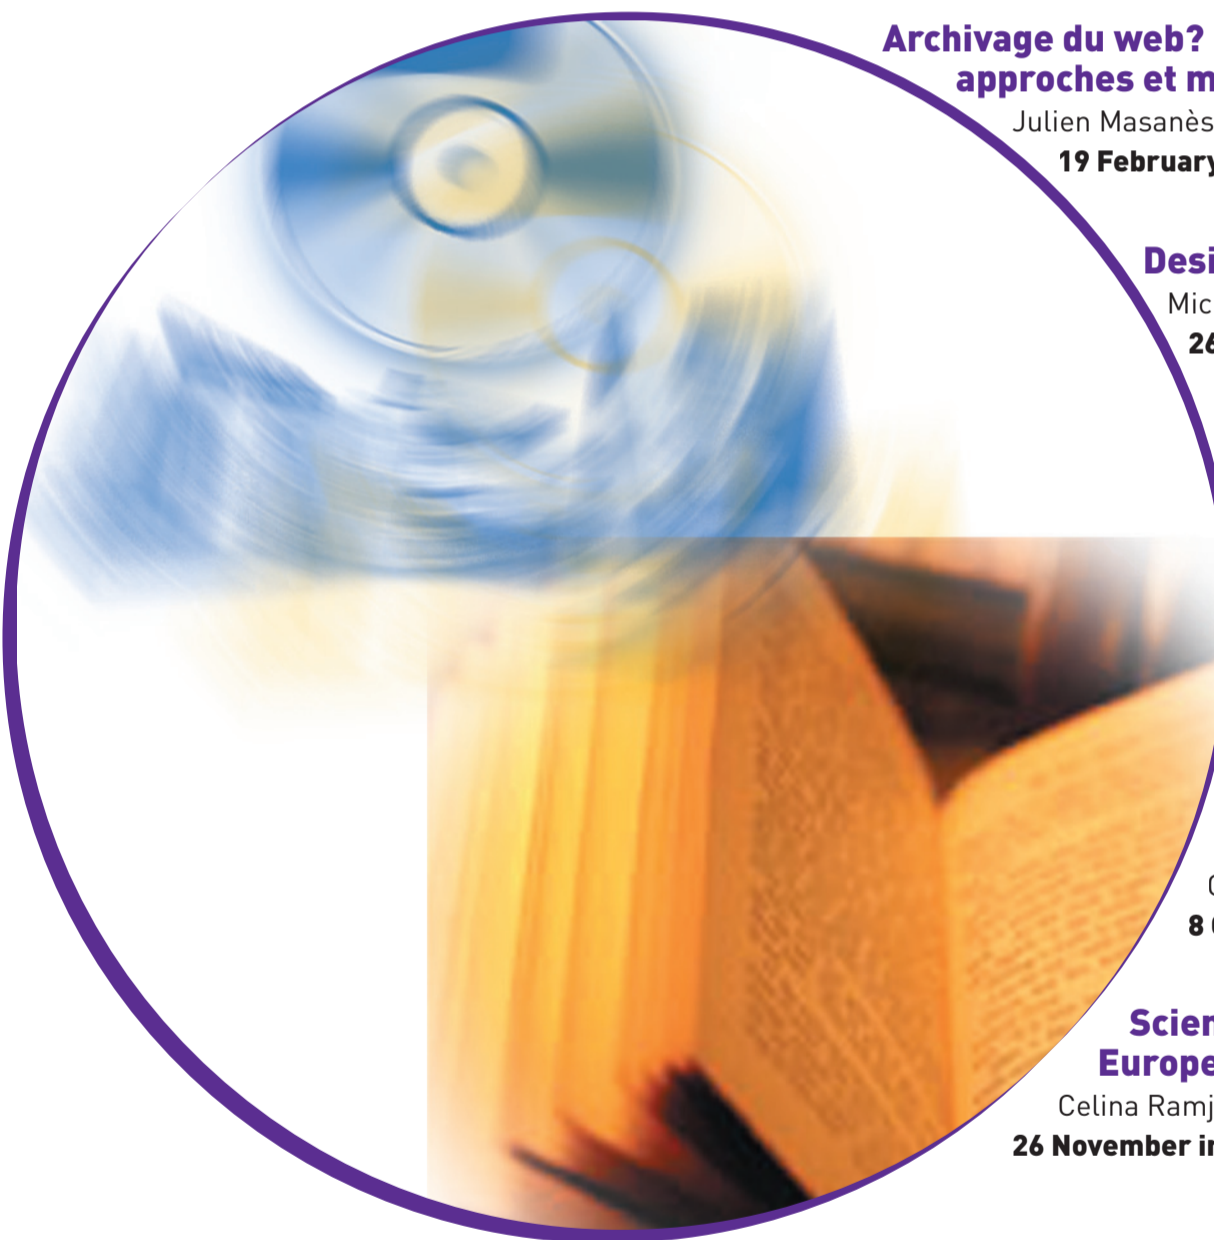

Ole Husby, BIBSYS, Trondheim, Norway

8 October in Geneva at CERN, 9 October in Bern at NL

Scientific publishing in the digital age: European Commission initiatives

Celina Ramjoué, European Commission, Brussels, Belgium

26 November in Geneva at CERN, 27 November in Bern at NL

Presentations will be held twice: in Geneva at CERN, ITU or WHO and in Bern at the Swiss National Library, always at 15:30.

All the presentations will be in English, except for the presentations by Julien Masanès on the 19th and 20th February which will be in French and by Wilfried Sühl-Strohmeier on the 18th September in Bern which will be in German: Zukunft der Bibliothek, Nutzerbedürfnisse und Informationskompetenz - neue Herausforderungen für Bibliothekare (-innen).

The talks are open to all who are interested.

For the talks in Geneva at CERN, external guests should be at the Reception of CERN, building 33, at 15:15 to be guided to the conference room.

You should register to attend, stating your interest in all talks or in any one in particular, by contacting Susanne Schaefer: susanne.schaefer@cern.ch or by telephone at 022 767 24 31.

For the talk in Geneva at the International Telecommunications Union (ITU), external guests should go to the ITU reception in the Montbrillant building, Place des Nations, 1211 Geneva 20 from where they will be directed to the conference room. Please register beforehand at library@itu.int or by telephone at 022 730 69 00.

For the talk in Geneva at the World Health Organization (WHO), external guests should enter the main entrance at 20 av. Appia, turn right and go down the stairs to the far end of the building where the WHO Library is situated. You should register to attend by contacting the secretariat of the WHO Library: lnk@who.int or by telephone at 022 791 20 62.

For the talks in Bern at NL, external guests should be at Hallwylstrasse 15 at 15:30. For further information and a map, you can contact Genevieve Clavel: genevieve.clavel@nb.admin.ch or by telephone at 031 322 89 36.
