2.30pm	GAMES PROGRAMMING WITH FOUNDATION YEAR
1.30pm	COMPUTING AND CHINESE

Great Hall,
Richard Hoggart Building

5pm – 5.30pm: Work placement and employability lecture

Start thinking now about how your Computing degree and work experience will translate into employment opportunities.

Attendance is highly recommended

Ian Gulland Lecture Theatre,
Whitehead Building

Tuesday 26 September

10.30am – 5pm: DoC.Hack

A great way to rejoin the Goldsmiths' Computing community. For six hours, you'll work in groups to design and build fun tech projects. Absolutely no skills needed - just bring a laptop. Free entry.

Info + sign-up: <http://goldsmiths.tech/doc>

Room 300, 2nd floor
Richard Hoggart Building

Wednesday 27 September

10.30am – 1pm: Computing Department induction

Your big welcome back to the Department of Computing. Find out what we expect of you, what makes a successful student - and what to do if you get into difficulties. You'll also meet the programme leader for your degree, and start to get to know your fellow students.

Attendance is compulsory

Ian Gulland Lecture Theatre,
Whitehead Building

2pm – 3pm: Session for students resitting or returning from interruption

Meet Christophe to find out how your academic year will work.

Attendance is compulsory

Room 304a
Richard Hoggart Building

Thursday 28 September

12noon – 12.30pm: Confucius Institute Induction

If you're studying Computing & Chinese, this event is for you. (If you're not studying Computing & Chinese, you can miss this)

Room 111,
Education Building

5pm – 7pm: Computing Department social event

Meet in the College Green marquee for a free drink on us. It's your chance to get to know each other, meet some 2nd and 3rd years, and play with our VR kit.

Marquee,
College Green
