

# BMus/BSC Music Computing - Induction Week 2017

## Monday 25 September

### 11am – 12.30pm: Music Department induction

Your big welcome to the Department of Computing. Meet the teaching, tech and admin staff who will be supporting you over the next 3-4 years.

Council Chamber,  
Deptford Town Hall Building

### 5pm – 5.30pm: Work placement and employability lecture

Start thinking now about how your Computing degree and work experience will translate into employment opportunities.

Ian Gulland Lecture Theatre,  
Whitehead Building

## Tuesday 26 September

### 10.30am – 5pm: DoC.Hack

Our welcome week hackathon is a great way to get to know the Goldsmiths' creative Computing community. For six hours, you'll design and build tech projects, and meet other students in a relaxed, informal environment. Absolutely no skills needed - just bring a laptop.

Info + sign-up: <http://goldsmiths.tech/doc>

Room 300, 2<sup>nd</sup> floor  
Richard Hoggart Building

### 5pm – 7pm: Music Department social event

Have a drink and snack with Music Department staff and students in the marquee on the College Green.

College Green

## Wednesday 27 September

### 10.30am – 1pm: Computing Department induction

Your big welcome to the Department of Computing. Meet the teaching, tech and admin staff who will be supporting you over the next 3-4 years. Find out what we expect of you, what makes a successful student - and what to do if you get into difficulties. You'll also meet the programme leader for Music Computing, and start to get to know your classmates.

Attendance is compulsory

Ian Gulland Lecture Theatre,  
Whitehead Building

### 4pm: College enrolment

Personal enrolment onto your Music Computing degree. Present your proof of identity (including visa to study as an international student) and original qualifications. Fees must be paid by this point.

Great Hall,  
Richard Hoggart Building

## Thursday 28 September

### 5pm – 7pm: Computing Department social event

Meet in the College Green marquee for a free drink on us. It's your chance to get to know each other, meet some 2<sup>nd</sup> and 3<sup>rd</sup> years, and play with our VR kit.

Marquee,  
College Green

## Friday 29 September

### 11am – 1.30pm: Soundwalk

Music Computing programme leader Freida Abtan invites you on a soundwalk – a walk with a focus on listening to the environment. Expose your ears to the sounds of St Paul's and Millennium Bridge.

Meet outside  
the library
